Such requests will be reviewed by the appropriate office. Students will be contacted by either the Coordinator of Student Accessibility Services or Academic Affairs as needed to complete the process. Final decision notification will be sent to students via their FPU email. **Should your request for Remote Instruction be approved, you will NOT be eligible to return to campus for face-to-face classes in the Fall 2020 semester.**

Please note that Rindge classes accessed remotely are offered ONLY synchronously (meaning at the scheduled class days/time) with the face-to-face class and are not available in an asynchronous (outside of scheduled class days/time) mode.
