This federal financial aid consortium agreement enables Franklin Pierce University (FPU) students, enrolled in the Maricopa Nursing (MN) and FPU Associate-Baccalaureate Concurrent program to participate in financial aid programs while completing coursework at both Franklin Pierce University and Maricopa Community College. This agreement does not guarantee an increase in the amount of financial aid you will be eligible to receive. **You may only receive financial aid at one institution.** Franklin Pierce University reserves the right to decline a student's request for a consortium agreement if, in the opinion of the Student Financial Services Office, the agreement would be administratively prohibitive. This agreement does not guarantee deferment of prior student loans; students must contact their loan servicer in the event they are in repayment status.

**Terms of the agreement, initial each:**

1. I must pay my non-home institution (Maricopa) out of pocket. Franklin Pierce University will not authorize an early release of financial aid.
2. I will receive limited consideration for financial aid. For federal aid consideration, I must have a minimum enrollment of 3 FPU credits per Maricopa Nursing block. FPU will not award financial aid in a term in which I am not enrolled in FPU courses.
3. I can only receive financial aid for the courses that I am enrolled in at Maricopa that pertain to my prescribed degree.
4. I must maintain Satisfactory Academic Progress as outlined in the Franklin Pierce University Catalogue and website.
