Comparison Groups: BC/DEFGHI/JKLM/NOPQR  
Independent Z-Test for Percentages (unpooled proportions)  
Uppercase letters indicate significance at the 95% level.  
Lowercase letters indicate significance at the 90% level.

Q33MT: I'm going to read you a list of topics. When I'm done, I'd like you to identify the three most important topics to you in deciding who to support in this year's elections, starting with the one that is most important.
