All access: Visit the cafeteria as many times as you would like during hours of operation on any given day.

Dining Dollars: Dining dollars are NOT Raven Points. Dining dollars are used just like dollars and can be used in the Cafeteria and Pub but NOT in the bookstore. Dining dollars may NOT be used to purchase alcohol. Dining dollars are credited per semester and any unused dollars will be rolled over from the fall to spring semester as long as the student remains on a meal plan with dollars. If a student changes meal plans to one that does not have any dining dollars then s/he loses any dollars from the previous meal plan. Dining dollars do not carry over from spring semester to summer or spring semester to fall semester.

Guest Passes: Cafeteria meal passes for your guests per semester.

Meal Week: The seven day period that constitutes a week of meals ends with dinner on Sunday nights and the new week and allotment of meals begins with breakfast on Monday mornings. Balance may be managed and funds may be added as needed before funds run out.
